

BENEFITS OF CEDERROTH EYE WASH

FUNCTIONAL DESIGN

Easy-to-use bottle for effective flushing

⋮

QUICK & EASY

Cederroth Eye Wash is opened by simply removing it from the bracket in the wall

⋮

WALL BRACKET

The wall bracket can be positioned several different ways, making it suitable for all workplaces and accessible for all employees

⋮

THOROUGH FLUSHING

Provides a generous flow of fluid. The eye cup is shaped to channel the fluid to the eye without unnecessary waste while helping keep the eye open

⋮

HIGHER CHANCE OF SAVING

Cederroth's buffering Eye Wash dilutes and flushes away the dangerous substance along with neutralizing the effect on splashes from alkalis & acids—give a better chance of saving your eyes!

⋮

PROTECTION FROM DUST

The dust cover keeps the eye cup clean, and also act as an opening device
