EpiPen® and EpiPen® Jr (epinephrine) Auto-Injectors are indicated for the emergency treatment of anaphylactic reactions in patients who are determined to be at increased risk for anaphylaxis, including individuals with a history of anaphylactic reactions. Selection of the appropriate dosage strength is determined according to patient body weight.

EpiPen® and EpiPen® Jr Auto-Injectors are designed as emergency supportive therapy only. They are not a replacement for subsequent medical or hospital care. After administration, patients should seek medical attention immediately or go to the emergency room. For the next 48 hours, patients must stay within close proximity to a healthcare facility or where they can call 911. To ensure this product is right for you, always read and follow the label. Please consult the Consumer Information leaflet in your product package for complete dosage and administration instructions.

For details on EpiPen®, or educational and product safety information, please visit www.EpiPen.ca.

COLLECT AND PROCESS PERSONAL INFORMATION CONSENT: Personal information (business name and address, contact person, telephone number, and email address) collected from you will be used by Pfizer Canada Inc. ("Pfizer Canada") to fulfill your order and to send you information on EpiPen® offers. Your personal information may be shared with service providers in order to provide you with the products/services/information that you have requested, but will not be otherwise disclosed without your consent, except as permitted or required by law. Your personal information may also be disclosed and/or transferred to a third party in the event of a proposed or actual purchase, sale (including a liquidation, realization, foreclosure or repossession), lease, merger, amalgamation or any other type of acquisition, disposal, transfer, conveyance or financing of all or any portion of Pfizer Canada or of any of the business or assets or shares of Pfizer Canada or a division thereof. Please note that sharing of personal information with service providers or disclosures to third parties may involve the storage or processing of personal information outside of Canada (including in the United States) where local privacy laws may require the disclosure of personal information to governmental authorities under circumstances that are different than those that apply in Canada.

By submitting your personal information, you consent to the manner of collection, use and disclosure of personal information as described above. If you later change your mind about such collection, use and disclosure for any reason, you may withdraw your consent, by contacting Pfizer Canada as set forth below. You have a right to access and correct your information, where required. If you have any inquiry concerning your personal information, please contact Pfizer Canada Inc. at P.O. Box 800, Pointe-Claire – Dorval, Quebec H9R 4V2 or by phone at 1-888-637-5464. Further information about Pfizer Canada's privacy practices is available at http://www.pfizer.ca/en/privacy_policy/.
