

canaPHEM's Event Medics: Frequently Asked Questions

1. Are canaPHEM Medics Volunteers or First Aid Responders?

No, all of canaPHEM's Medics are qualified Primary and Advanced Care Medics that have successfully graduated from an Ontario accredited School of Paramedicine.

2. Do canaPHEM Medics have any Insurance?

Yes, all canaPHEM Medics are covered by WSIB and have errors and omissions coverage

3. Do canaPHEM Medics carry any equipment and supplies?

Yes, all canaPHEM Medics carry at all times, for any event a heart monitor, defibrillator, medical kits and supplies

4. Can canaPHEM Medics administer medication?

Yes, canaPHEM Medics carry many different types of medication as well as administer them intravenously

5. Do canaPHEM Medics receive criminal background checks?

Yes, all canaPHEM Medics must have a background check in order to be employed

6. Can canaPHEM transport patients from an event to a hospital if need be?

No, canaPHEM cannot transport patients from an event to a hospital. If an incident occurs where a person needs to be sent to the hospital, 911 will be called so an ambulance "in service" can come. If canaPHEM were to leave your event to transport a patient, your event would be left unattended for other emergencies
